

Real Stories

Volume 1-1

Taking the leap from the cliff

To reach your dreams, to live your unique purpose, to use your divine gift will require faith and belief. It is difficult to figure out what your gifts are. However, choosing an industry that will make you happy should be your aim. For the young, the old, or anyone who just wants to fulfill that dream, real estate is an option.

“A Leap of Faith”

- 1.** I want to get rich.
- 2.** I want a big house.
- 3.** I am better than this.
- 4.** I just need that opportunity.

Let's take a look at some **extrinsic motivating** factors:

- Getting rich.
- Owning a huge house.
- Owning an expensive car.
- Popularity

Wow! These factors are shared among many professionals. Who wouldn't want all that?? Hello extrinsic motivation...let's get this done!

Now let's take a look at some **intrinsic motivating** factors:

- Personal growth and achievement.
- Doing something you love.
- Making a difference in the world.
- Helping others achieve their goals.

Still looks good but money isn't mentioned here. Hummm, “Maybe I need to accomplish something that will bring me all of those worldly things first. Because seriously, my family is counting on me and I want to prove to my friends that I am successful with a capital S!”—Well, Sunsite knows that making lots of money will prove just that.

Every person who is doing what they love has had to take the leap from the cliff

The key here is finding what your unique gift is and doing just that. Are you going through life, day in and day out, letting your purpose pass you by? You see, every person who is doing what they love has had to take the leap from the cliff.

This jump is often referred to as “A leap of faith”. It is a huge movement forward into the unknown. A jump that propels you into a new place to existing. A jump to doing exactly what you were born to do. Not giving up and endurance are involved because it may be a rough ride. Be aware that this leap may not only happen once. Doing what we love and making abundance of money doesn't come easy. The good news is that many people have come before us and have made many mistakes and have learned from those mistakes. The key is to find those individuals who have made those mistakes and who we can learn from. While we can use our talents to get us far in life, sharing our talents with the world by doing what we love is essential to getting us where we want to be. That is the ultimate goal of Sunsite.

So, believe that your parachute will open every time!

The burning desire in your heart to use your talents is "The Gift". Sunsite will help you continue to make the jumps required to get where you need to be. This life is about YOU. It is about your wants, your desires, your dreams, and your gifts. There are billions of us here on this planet and not one of us is more important than the other. We are all equals. This life is about figuring out how to use your unique gifts. It is about achieving an abundant life. It is about you making that leap of faith. And it is about you jumping. Sunsite will make sure you land on promising lands.
